

**Consulate General of India
Frankfurt**

Press Release

Start-up Challenge by CGI Frankfurt

On 27th November 2020, the Consulate General of India in Frankfurt launched a Start-up Challenge. It is an initiative being organized in partnership with the Department for Promotion of Industry and Internal Trade (DPIIT) and Startup India and in consultation with Indian corporate sector leaders working in Germany.

The event entails a mentoring programme for three months. The Consulate has called for submission of start-up ideas/concepts. The last date for submission of start-up concepts and details of individual/teams is **15th January 2021**. Select entries would then be called for mentorship sessions to be held in the month of February 2021.

For those who have not registered already but are wanting to receive more information including the rules of the programme, may send an email to com1.frankfurt@mea.gov.in.

To view the introductory session held on 27th November 2020, tune in to CGI Frankfurt's official Youtube channel (link of the video is https://www.youtube.com/watch?v=cVrE_r5W6Vc).
